SHOPPING CENTRE

PARKING LOT

CAO reported that he was talking to a representative of the Shopping Centre Parking Lot Association and he felt that they may be able to come to some form of resolution. CAO was asked to try and bring the issue to an end.

RAILWAY BUILDING

Summary of the history of the proceeding to date on the railway building was presented. It was quite clear in all correspondence that the original intent was that the building be given to the Shrine Club for a museum. Council felt that this is the reason that the Deed of Conveyance was never done because the museum is still not operating. CAO was asked to do a further review of the file and bring back to the next meeting of Council.

STRATEGIC PLAN

6 MONTH UPDATE

Copy of the Strategic Plan circulated for Council's review and Deputy Mayor gave an overview of the progress in the last 6 months. Many of the items in the Plan will be addressed during the new Municipal Plan. Council to review that document in preparation for discussion at the next Council meeting.
