COMMITTEE REPORTS

RECREATION & ARTS

**Curling Rink** - Very lengthy discussion held on the attachment of a Curling Rink to the new CEC. A Committee has met to discuss if this was feasible. D.M. Russell inform Council that a feasibility study was done in the early stages of planning for the Events Centre and that maybe this would be an important tool for Council to review prior to going any further with these plans. Cr. Pickett felt that with the Town hoping to host the 2014 Winter Games, a Curling Rink would be a great asset to have. It was unclear whether or not a Curling Rink could be attached to the CEC or if it would have to be a stand alone facility. Council felt that the CAO should have the feasibility study copied for a full discussion of Council.
