SNOW CLEARING

34 PALMER'S LANE Request received from property owner at 34 Palmer's Lane to have the access to his property snow cleared. It is noted that when the application was approved to erect this dwelling the condition of the approval was that snow clearing and maintenance of the access to the dwelling would be the responsibility of the property owner. The current owners were informed of this prior to purchasing the property in a Compliance Certificate issued on November 15, 2002 and in correspondence again dated December 1, 2005.  
RECOMMENDATION: That the property owner be advised that Council's position remains unchanged as outlined in previous correspondence to the property owner, stating that snow clearing and maintenance of the access to the dwelling is the responsibility of the property owner.

ADJOURN Meeting adjourned at 10:30 am.

Respectfully Submitted  
Fraser Russell, Chairperson
